

The one thing that most (if not all) people want is joy and happiness. Each person may find joy and happiness in different ways and in different things.

Write or draw  
in the letters  
the things that  
make you  
happy.

What things  
that you do,  
make other  
people  
happy?

In the end, what things did the  
son realise made him happy?
