

Our lives are like a journey - there are many things we see, experience and do, and there are events and stops along the way. See if you can think of some of the things that have happened during your life so far and mark them on the road below.

Made a new friend? Consider using some of these events on your road below. Had a baby sibling?
Moved house? Got a pet? Changed schools?
Been on holiday? Joined a club?

Date of Birth:

Move to Secondary School which is called:

Before we look ahead to your move to secondary school, let's think about all the memories that you have made in your primary school. Can you fill out the following boxes?

My funniest memory is ...

My favourite teacher is ...

My favourite lesson
is ...

The best school
trip was ...

The best memory I have is ...

My favourite club is ...

My best friend is ...

I will always remember when ...

Memories are really important!

Just as you have made lots of memories at Primary School, so you will make many more memories at your new Secondary School too.

**DON'T
FORGET!**
