

Use this sheet to reflect on how you live out your faith and what you want the CU to show about Jesus to those in your school.

What does the CU Leadership currently look like?

Who are the people who could be involved in CU Leadership in the future?

What skills and gifts does the CU have and are they being used?

**Action**

List the different responsibilities for the CU, and divide them across the Leadership Team and/or CU members (as appropriate).

Pray for God to reveal two people who may become future CU Leaders.
