

Use this sheet to reflect on what missions and events the CU are doing and whether there is opportunity to do more during the school year. Be creative in you planning. Just because the CU has run a mission in a certain way and time before, does not mean it always needs be done the same way every time. Different ideas could reach different people.

What type of events has the CU led?

What events are in the school calendar? Could any of these be used as an opportunity for the CU?

Are there any year groups that are not currently attending the CU?

As a Christian Union, set a plan for running one mission next term.... Be creative!! Brainstorm ideas below as to what you could do.
