

Use this sheet to reflect on some of the practicalities of the CU, and how you could make a space that is more friendly and inviting to visitors and new members.

What does the CU room feel like?

Do visitors come along to the CU?
Do they come back the next week? Why?

How could CU members act in a way that is welcoming to visitors (more than they do already)?

Action

Consider one area that you could improve to make it easier for visitors to feel welcome and to belong. State what you are going to do below.
