

*The Bible tells of another occasion where Jesus was talking with a HUGE group of people – so many people wanted to hear Him speak, that there wasn't enough room in the house and people were crowding around windows and doors to hear him ... in fact, some dug a hole in the rood of the house! Jesus actions continued to shock many people who believed that they knew what was right; but Jesus' actions and words continued to show that people could put their hope in Him.*
